Idaho Challenger Little League

Website: [Idaho Challenger Little League](https://www.idahochallengerll.org/)

Do you have an interest in sports? Would you like to play baseball this Summer with friends—and maybe make new ones along the way? Challenger Baseball is a fun and welcoming way to get involved. It helps build confidence, encourages teamwork, promotes physical activity, and provides meaningful social connections in an inclusive environment where everyone gets to shine.

A banner for the Idaho Challenger Little League website. It features a background image of a baseball player in a blue jersey and white pants, standing on a dirt field and holding a bat. In the background, there is a blue dugout and some trees. Overlaid on the left side of the image is a white box with the text "Turning Every Pitch Into A Homerun". Below this, there is a paragraph of text about the league's history and mission. At the bottom left, there are two red buttons: "Register" and "Contact Us". At the bottom right, there are two logos: the "Little League" logo and the "Little League Challenger" logo.

Turning Every Pitch Into A Homerun

The Little League Challenger Division® was founded in 1989, and is Little League's adaptive baseball program for individuals with physical and intellectual challenges.

Any individual with a physical or intellectual challenge may participate. If an individual can participate in the traditional Little League Baseball or Softball program with reasonable accommodations they should do so. The Little League Challenger Division accommodates players ages 4 to 18, or up to age 22 if still enrolled in school. The Senior League Challenger Division accommodates players ages 15 and above (no maximum age).

 **Little League**  **Little League Challenger**

Registration for the 2026 season is now Open. They start on April 11th, and games are played every Saturday until June 20th, with the picnic on June 27th.

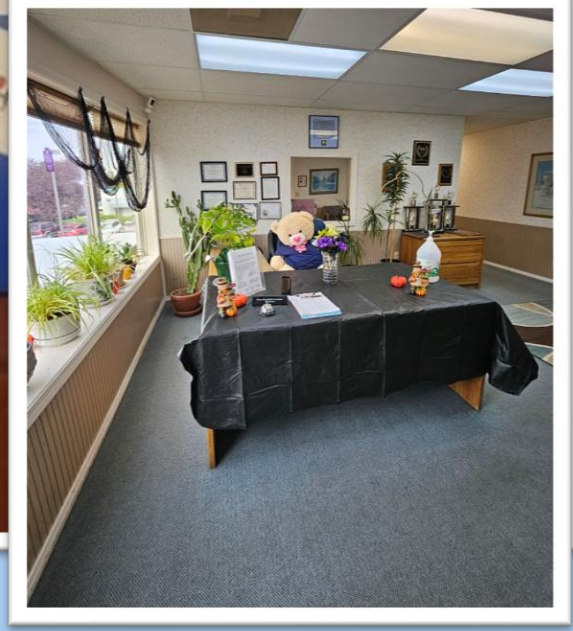

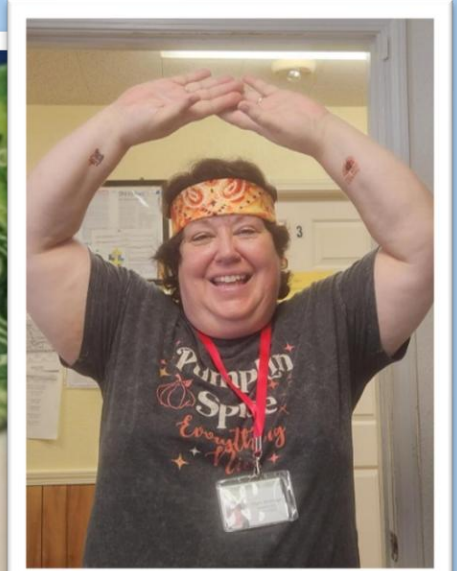

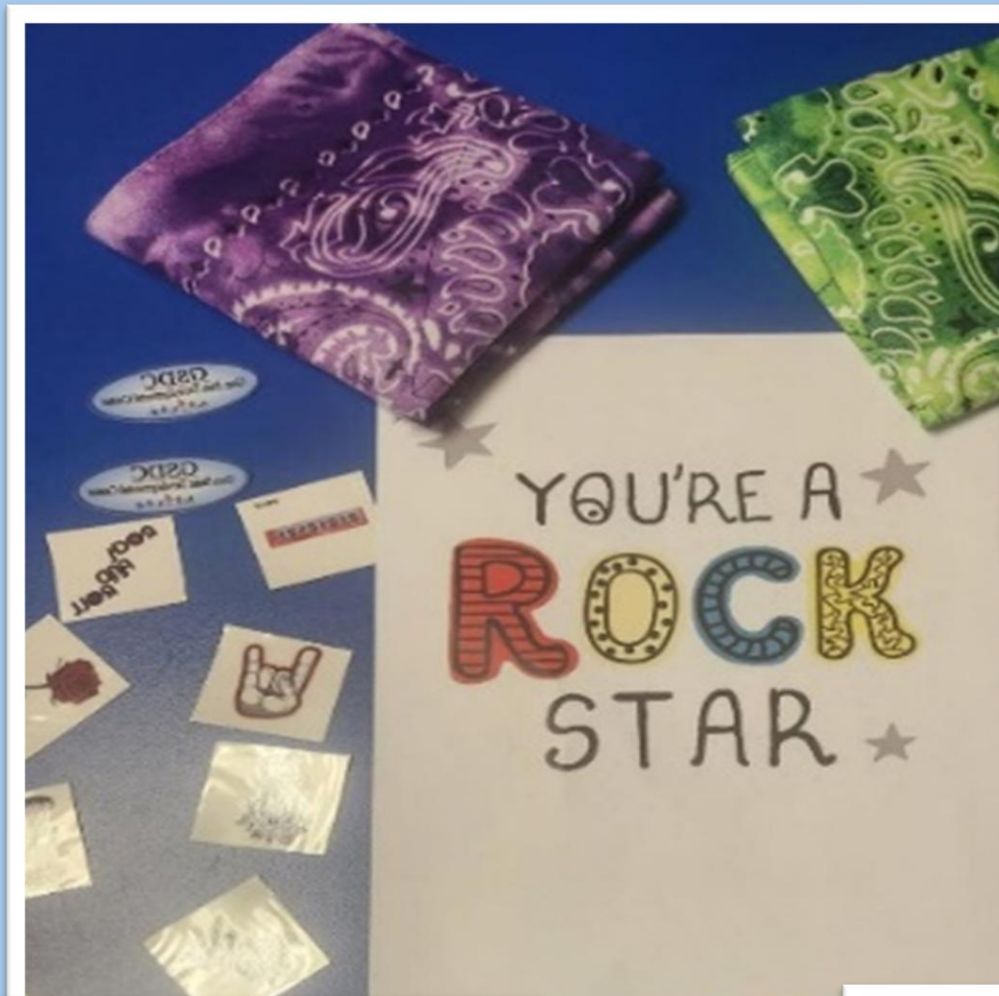

Deadline for registration is March 15th.

DSP WEEK 2025!

This year, we once again recognize the incredible work our staff does. Their dedication and compassion makes a difference of those we serve every single day. Thank you!

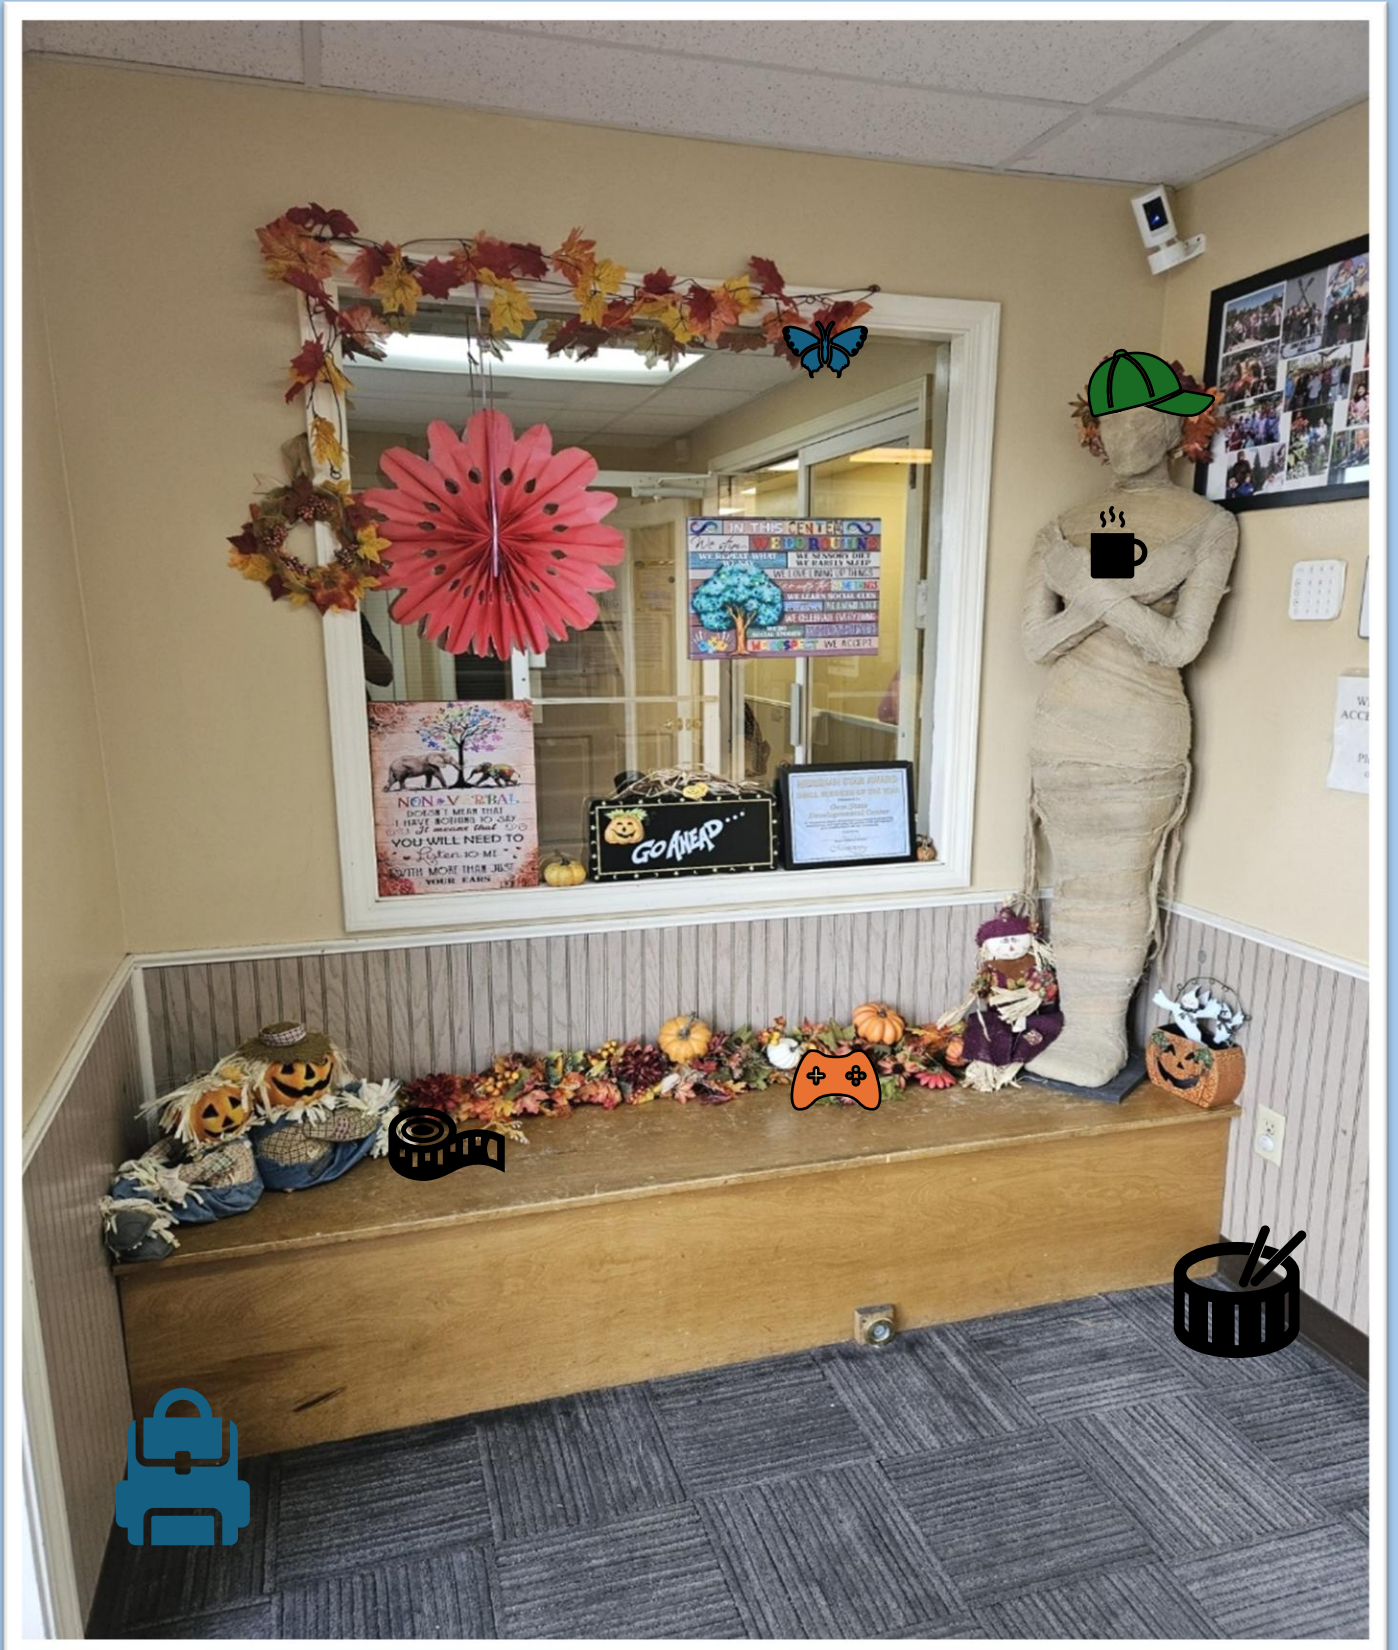

GSDC Yard Sale

Yard sales give our participants a sense of belonging to the community. They provide hands-on practice with communication, decision making, and social interaction. They help build pride, confidence, independence, and some extra spending money!

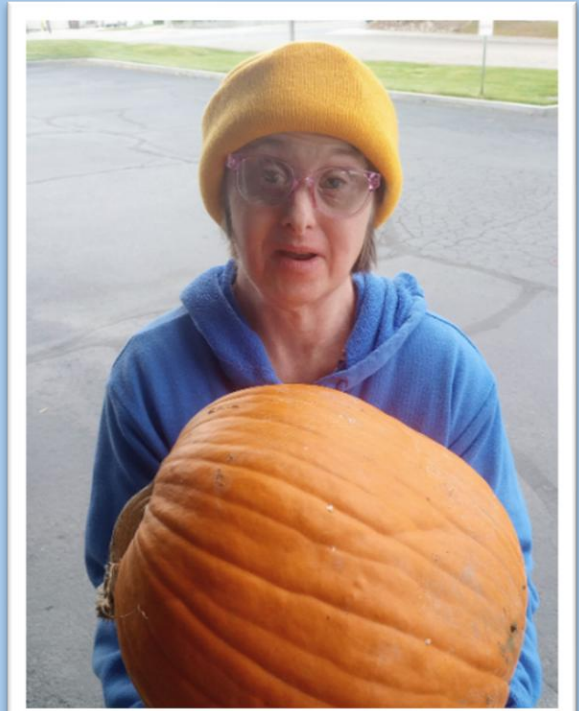

What Do You See? (Seven Hidden Items)

Baseball hat, butterfly, coffee mug, tape measure, game controller, drum, backpack

Participants Just Want to Have Fun!

Pumpkin patches offer rich sensory experiences, encourage independence through choosing a pumpkin, promote natural movement while exploring the patch, and create meaningful social connections in a relaxed, festive environment.

Here are a few beautiful expressions from our participants. These activities promote hand-eye coordination, confidence, and social bonding with peers.

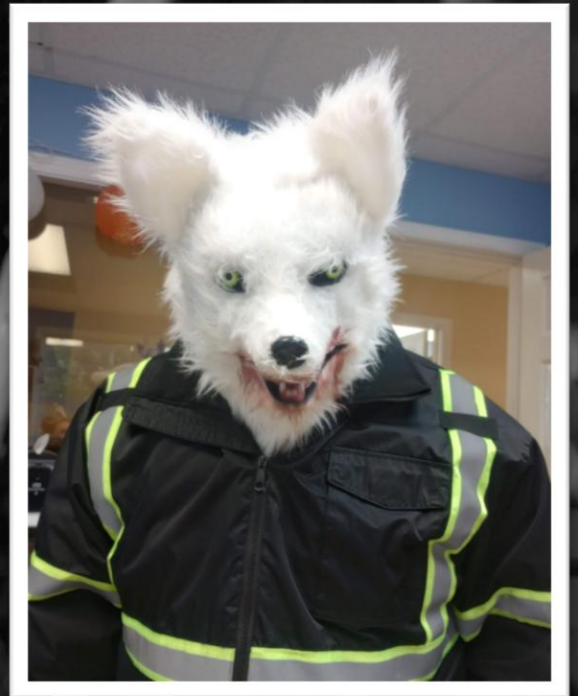

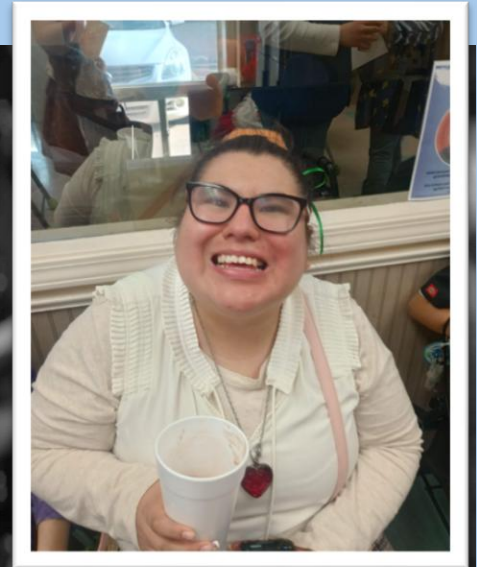

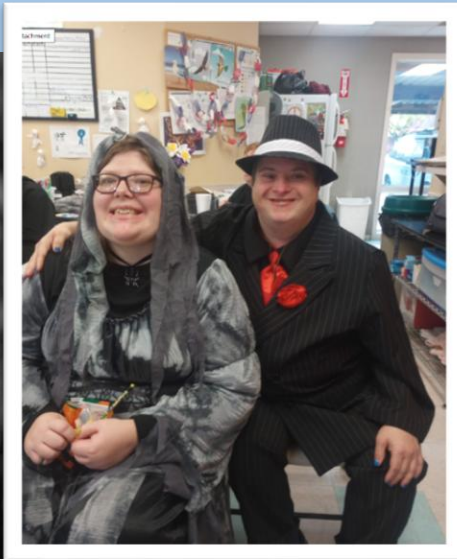

Honoring Veterans' Day

We honor our veterans because it helps us feel connected to the community and teaches the value of gratitude and service.

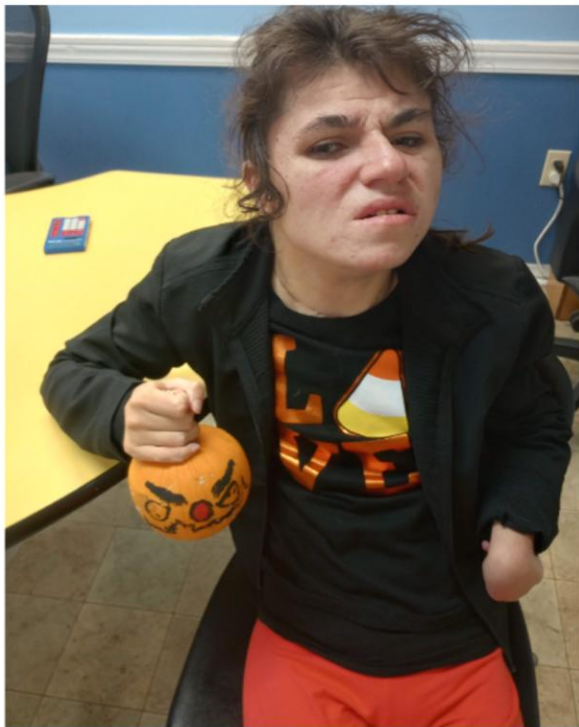

Halloween Party 2025

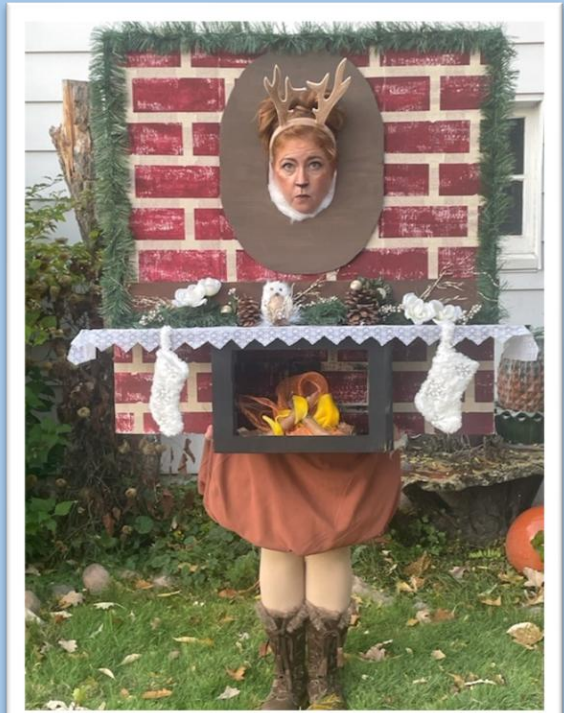

Halloween combines creativity, community connection, sensory experiences, and opportunities for self-expression in ways that are fun and validating.

Halloween gives us a fun, creative way to celebrate and feel included in the community. We get to choose our costumes and adopt the personality of the fictional characters of our choice.

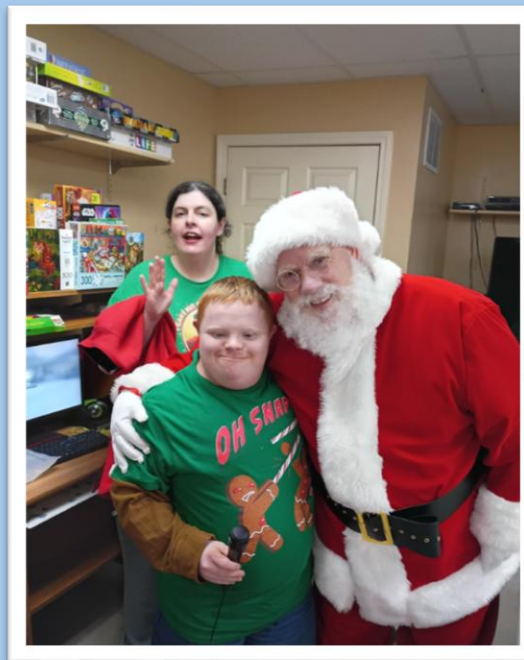

Have a Happy, Jolly Christmas!

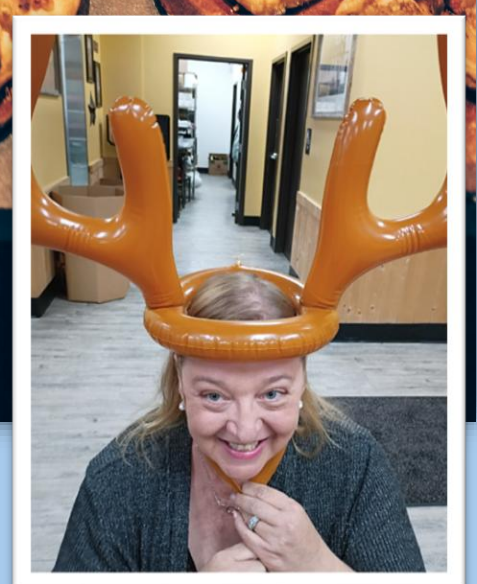

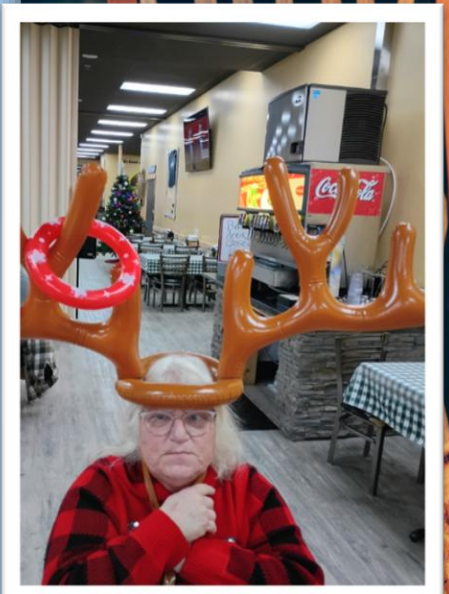

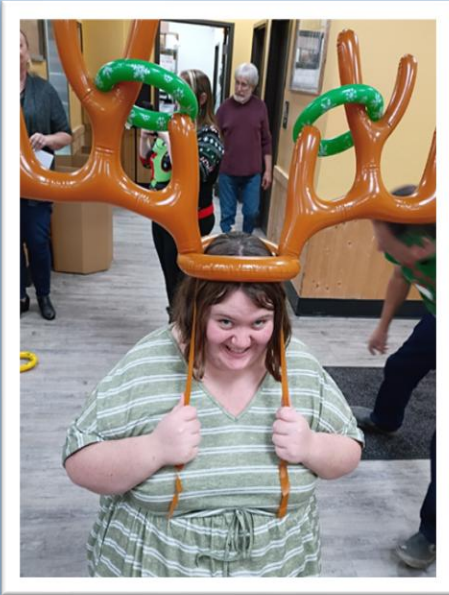

This special time of the year fosters belonging, joy, creativity, and meaningful social connection. It supports a festive environment for families, friends, and community.

Christmas gives us the spirit of family and friends. We exchange gifts and warm wishes for times we can celebrate our connections. Thank you to one of our parents (Chris G.) for his great performance as Santa Clause, and his two helpers, Brandy and Tammy. We love the look.

Staff Holiday Party!

We Are the Champions, My Friends!

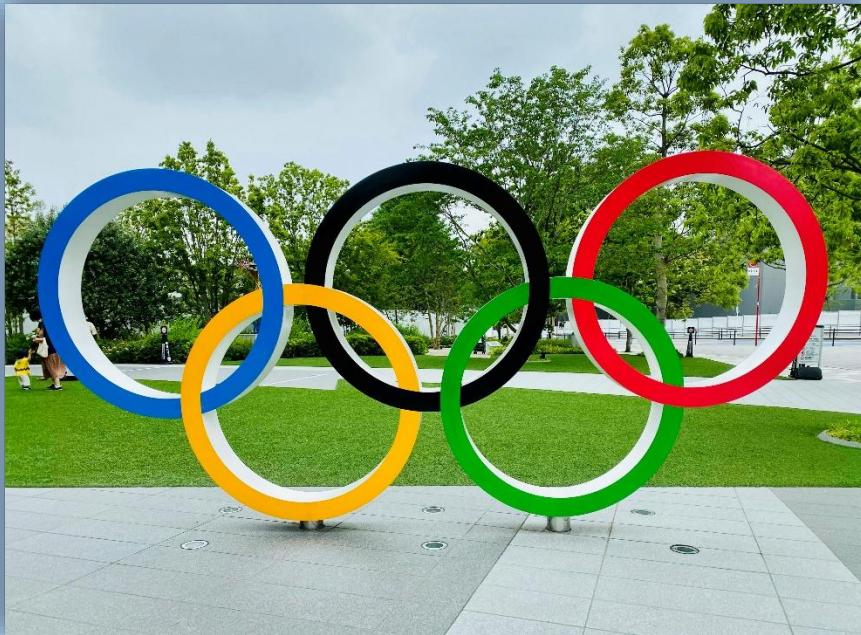

Special Olympics provide a meaningful way to build confidence, and develop physical and social skills through opportunities, and a sense of achievement and belonging.

Here we have our athlete DJ, proudly showing off his many well-earned medals.

**HAPPY
BOSS DAY !
YOU'RE OUT OF THIS
WORLD, LORI JO**

Medicaid Unites Us!

Our participants and families rally because it helps us protect the essential services and supports they rely on to live healthy, independent lives, and connect to their communities.

I Have a Dream - And That Dream Lives In You!

Celebrating a historical figure who fought for our ability live our lives in a fair, equal, and inclusive environment. We all are examples of this dream, and we honor him by our service.

Remember the hours after Sept. 11 when we came together as one...It was the worst day we have ever seen, but it brought out the best in all of us. - **John F. Kerry**

Our participants recognize this day because it reminds them that in difficult times, communities grow stronger by supporting one another, and everyone's resilience and contributions matter.
